**Review procedure:** Manuscripts are reviewed by two referees. The editor reserves the right to reject any unsuitable manuscript without requesting an external review.

### Preparation of manuscripts

**References within the text:** The basic reference format is (Smith, 1999). To cite a specific page or pages use (Smith, 1999: 10-12). Use "et al." when citing a work by more than three authors (Smith et al., 1999). The letters a, b, c etc. should be used to distinguish different citations by the same author(s) in the same year (Smith, 1999a; Smith, 1999b).

**Notes:** Essential notes, or citations of unusual sources, should be indicated by superscript number in the text and corresponding text under line at the bottom of the same page.
